4. **European Championships (ECs)**

4.1. *Status of Registration Process*

- Events are up with PDGA. Communication with LOC Norway is fine, but the one with LOC Germany is a bit complicated. Looks that for Germany all is a bit too early for them.
- Invoicing started.
- LOC Norway working on the player contract. Richard sent an example.
- 30+ countries in both events. Small countries send players just to Norway or Germany.

4.2. Issues

- Adjust the size of some divisions for EMDGC. Review the problematic with some divisions (50% cut for finals). Feedback by BoD up to the next meeting.
- Layout of FP60 is problematic. We need to ask the LOC to check the layout.
- No problems for these championships in view of equal M/F divisions. We have a waiver for EMDGC 2025.

4.3. Administration

- PF: Contracts done.

4.4. EDGF Promotion

- PF preparing banners, beach flags and floor signs. In contact with LOC to get shipping address and technical specification (banners).
- PF: small presentation of promotional material (April meeting).

4.5. ECs 2027

- PF received interest from Croatia for EMDGC.

- New documents ready soon for download. PF to contact member countries somewhere in April.
- Media Production: We have the media rights and might think about selling it on our own. Check how such contracts may look (examples from other sports). Important MPO/FPO and Juniors divisions. EMDGC does not have such a big demand, but a post production would be cool.

5. PDGA / PDGA Europe / DGPT

5.1. Meetings

- We had a meeting with PDGA Europe on the 27th of February.
- Discussed the MoU and sent them finally two separate documents (MoU and sponsoring EC contract). Now PDGAE to check these documents and send us corrections/addings.
- PDGAE checks with Calixto about video production at EMDGC.
- Communication was excellent and friendly.
- Productive Meeting.
- Both sides have the same target: excellent disc golf sport in Europe.

5.2. Issues

- Freedom of Speech Policy
- Conflict of Interest (Players based organization vs. Country based organization).

- PDGA Worlds 2025 in Nokia/Tampere.
- Frank will try to talk to people during the event.

- LH had a meeting with Craig Sheather (chair of committee). He contacted committee members as a first step. Committee does not have meetings, but works on platforms. Next project: Team Worlds.
- WFDF DG committee and EDGF BoD meeting.

6.2. Issues

- Danish Disc Sport is thinking about leaving WFDF, because of low interest of WFDF to care more about disc golf.
- Rules

6.3. Events

- EFDF General Assembly 29 January 2025. FH took part. They are still struggling with the Israel issue, which happened during an event in Belgium. Looks to become a financial case.
