- PF: start google doc with list of contacts.
- PF: created a new forum under a sub-domain of EDGF <https://idgf.discgolfederation.eu> including a nice member management tool.

The forum works with top-categories, which groups the whole, followed by the various forum (topics) related to the categories and the posts. PF added some posts already as examples. The topics (forums) can also hold sub-forums to structure certain topic better (i.e. Best Practice). Current access: PF, FH, LH.

- The Working Group will hold another online meeting on the 8th of April, following the invitation of potential future forum members.

3.5. *Public Relations*

- PF: Website updated frequently.
- PF: Updated our Facebook page and Instagram.
- As soon as we have a text proposal from PDGAE, we will communicate the cooperation (MoU) to the countries and make it public too.

3.6. Internal-/ external Communication

- PDGA Country Coordinators are part of the national associations and it would be good to have feedback from them (via the NDGO) to us. We might check with our members how we are going to filter and/or transfer information.
- All PDGA Country coordinators shall be appointed by the NDGO.
- We should use the IDGF Forum for communication and/or WhatsApp.
- PF: Open a EDGF Country WhatsApp Community (study the functionalities).

3.7. Memberships

- Ongoing

4. **European Championships (ECs)**

4.1. *Status of Registration Process*

- We got noticed by LOC that Leif was replaced with Mikko as TD. We do not see any issue.
- RK: EDGC registration works very well. There are only a couple of unnamed spots. Checking the replacement. The tournament is full.
- Payment: was some misunderstanding by LOC. Sent invoices to wrong addresses. Now just a minor problem (one, two players).
- EDGC organization looks very professional same level as Pro Tour.
- EMDGC approved by FK unf PF. LOC informed accordingly. We will see how the course works out. We will check on the spot as well, if eventual changes have to be made. As we are not able to fully judge the course difficulty for FP60, we let the course proposal as it was proposed by the LOC.
- Instagram accounts for EDGC and EMDGC as a general account.

4.2. Issues

- **EMDGC LOC (Andreas) reported that the bridge which is the only access to the island will be renovated, but hopefully the work shall be finished before EMDGC. The bridge heavily needed to bring over the machines to cut the**

grass, etc. He even mentioned the worst case scenario of canceling the event? This is not an option!!

It is actually scheduled for a routine inspection. Frank talked with Andreas on Sunday. Frank asked him to talk to the responsible people in the local government. Frank told him that cancellation is NO option. First he shall get the full information first, and then inform us accordingly.

- For the next bidding we might think about offering 2 courses for EMDGC to accommodate more players.

4.3. Administration

- PF: Contracts done.
- "Event Protocol" with the LOCs.

4.4. EDGF Promotion

- PF: All promotional material is done and shipped to Norway.

4.5. ECs 2027

- We may be ready to send out documentation somewhere in May/June 2025. Open Bid call in September. Candidates: Croatia, Latvia, Northern Italy become interesting in the near future. Also to check with France and Spain.
- Maybe we add some wording about the location of the opening ceremony in our guidelines.
- We agreed to offer 2027 and 2029 together.
- we might add a protocol in the case of disaster or any other reason an event has to be cancelled so that we are prepared. We also should add a paragraph in our info texts for NDGAs/TeamCaptains so that they can prepare on their side.

5. PDGA / PDGA Europe / DGPT

5.1. Meetings

- Meet people in Tallinn or World's. All are very busy, but Frank tries to find some time for talks. Frank meets Christer in Norway.

5.2. Tasks

- Sponsoring Contract: Signed by both parties
- MoU: Signed by both parties

5.3. Issues

- Proposed new PDGA Rules Changes discussion. The BoD discovered that many non-english native PDGA members may not be able to comment on rules changes, etc. Tapani mentioned that they have a WhatsApp group in Finland, where they discuss such changes, etc. This would be a good input

for communicating this issue to the countries.
Nothing significant to EDGF.

5.4. Events

- During the Worlds “PDGA Talks” will be held. Three topics are scheduled on 29th of July.

6. WFDF / EFDF

6.1. Meetings

- LH: News from WFDF DG Committee:

6.2. Issues

- Lack of detailed information in view of Disc Golf and its committee.
- Still handling the Israeli case with mediators.
- Finland will hold a roundtable discussion (sport federation). Tapani will represent the Finnish DG Association. Will see the outcome. For EDGF it is currently not relevant, as Israel is not a member. Here we have to wait on further decisions by the international sports world.

6.3. Events

- WFDF published bid calls for 2027, 2029 events.
- WFDF 2028 International Disc Golf Championship? No details yet. How can we bid for this event without information? Laura (part of the WFDF DG Committee will contact the Committee chair.
- WFDF World Games 2025.
Richard will be there. All covered by the national olympic association.
- WFDF General Assembly 2025
